## 2 Your Career Path

Your career path is likely to be driven by a deep-seated need to make a meaningful difference in people's lives. You thrive in roles that allow you to inspire, guide, and develop others, making you an excellent teacher, counselor, or team leader. Your natural charisma and ability to articulate a compelling vision make you a standout in fields like human resources, public relations, or non-profit management.

While you excel in collaborative environments and roles that involve personal interaction, you may find yourself less fulfilled by solitary or highly analytical work. Your challenge lies in balancing your idealistic drive with practical realities, and in learning to value the smaller, day-to-day contributions as much as the grand, world-changing gestures. Your ability to positively influence even one person's life is a significant achievement in itself.
